Description

Elegant and unique luxuriously decorated condo has 3 bedrooms, 3 bathrooms located in the Shangri-la Development. This residence is located near the Marina, next to the Hotel Marriot Casa Magna and about 5 minutes drive from the airport and the famous golf course of 18 holes. The gourmet kitchen is fully equipped with stainless steel appliances welcomes, granite countertops, tumbled marble back splash, work island large and breakfast bar and a filtration system personalized water, also has spectacular views of the Marina, the pool, the sea, the beach. Beyond the kitchen is a stylish dining room with built-in bar and a marble table inlaid with hand carved that sleeps up to eight people. The spacious living area has a built-in entertainment center with a flat-screen TV, iPod dock, DVD and CD player usual. Wi-Fi Internet access. The balcony is a haven of tranquility and relaxation with a panoramic view of the bay and the beach. Enjoy the sunset while relaxing in an armchair watching the cruise ships leaving port or a special meal at the dining table outdoors. Marina Puerto Vallarta offers 320 days of sunshine. There are fireworks every night on the bay with spectacular views from its balcony. Within the Marina you can find restaurants, cafes, boutiques, spas, salons, art galleries, fishing, etc. I visited the historic center with the famous boardwalk, carnivals and artists, countless shops and nightclubs or visit nearby villages.
