Description

You will love this luxuriously appointed 3 bedrooms and 3 Baths on all one level with approximately 3,000 square feet of living area. Tall glass sliding doors open to the huge ocean front veranda with views of the pool, River Cuale, beach, bay, and city. In addition spectacular mountains view from the master bedroom. This condo includes maid service Once a week, a full laundry room with washer, dryer, iron and ironing board, a covered car port, 24 hour security with private access key, high speed wireless internet and television in the living room, among other things. The grounds are beautiful and offer various areas for comfortable seating. You have access to the largest infinity pool in Puerto Vallarta. It is heated to a comfortable 85-90 degrees during the season. You can go for a long swim, sunbathe on the lounges, or sit in the shade. The poolside Palapa features food and bar service and is a favorite hangout for pool-goers. Just outside the gate is Molino private beach, complete with luxurious lounges and umbrellas. It is surrounded by palms for added privacy and is a wonderful place to spend a relaxing afternoon on the beach.
